

# NESMC ACTIONS AND EXTERNAL EVENTS

**KEEP COORDINATION INFORMATION UP TO DATE!**  
 Updates to technical and contact information should be made as they occur. Please don't wait until renewal time to update your information!

**FILE NEW APPLICATION**

**REQUEST CONVERSION TO TRIAL**

CP STATUS advances to trial status as soon as the coordination holder notifies the coordinator that the system is on the air.

**REQUEST CONVERSION TO FINAL**  
 Coordination Holder may request Final status anytime after 6 mos. Trial will convert to final once request is approved by the coordinator. **CONVERSION IS NOT AUTOMATIC.**  
*Trials for which no final request is made will expire at the end of 7 mos.*

**REQUEST RENEWAL**  
 Up to one month prior to expiration, and up to one year after, coordination holder should review the information about his system, update it as needed, and request renewal. Once accepted by the coordinator, a new 3-yr period begin.  
**RENEWAL IS NOT AUTOMATIC**  
*Final coordinations that are not renewed will expire.*
