

Known Active 2m Simplex Frequencies 4/6/2019

Color key

	NESMC coordinated repeater on 2014 repeater subband
	part 97 protected frequency (repeater operation prohibited by law)
	part 97 amateur satellite service (repeater operation prohibited by law)
	affected simplex use
	guardband (affected simplex use)
	unaffected existing use

frequency	state	location	description
144.000			
144.390	ALL	Regional Wide	National APRS Frequency
144.500			
144.910	NH	Capital Area	NH ARES - NBEMS primary
144.910	MA	East Freetown	coordinated repeater input
